

Open Letter With Corrections To The Green New Deal By Dr. Alex Cannara

This letter is an excellent study guide about climate-crisis and what we really could do about it.

See: <http://tinyurl.com/y65belox> for the PDF file of the letter.

This letter is to Senator Markey and Representative Ocasio-Cortez and copied to Speaker Pelosi, Sens. Booker, Feinstein, Klobuchar, Sanders, Warren, Whitehouse, all Dem Pres Candidates, and the news media.

It is 24 pages long and has dozens of website references. It is loaded with charts, tables and photos.

The preface of the letter reads: *“Though the goals of the Green New Deal (GND) are admirable, there are some technical mistakes in HR109 (<http://tinyurl.com/y54exovj>) which, if corrected, would help to win support from all parties, and maximize environmental benefits. Here are some comments on HR109 as read today:”*
