

***Titans of Nuclear* web site.**

This web site gets the word out about people who have and are doing excellent work related to nuclear reactor technology. There is an audio presentation there from each of them.

(By the way, ***INL*** stands for Idaho National Labs)

The ***Titans of Nuclear*** Home Page is:

<https://www.titansofnuclear.com/>

Currently these people are featured:

Michael Schellenberger, Environmental Progress

Per Peterson, Kairos Power

Ted Allen, University of Wisconsin

Eric Loewen, General Electric PRISM

Racheal Slaybaugh, U.C. Berkeley

John Wagner, Nuclear Sci and Tech INL

Hans Gougar, Advanced Reactors, INL

Shannon Bragg, Sitton, Hybrid Energy Lab, INL

George Griffith, Small Modular Reactors, INL

Emma Redfoot, Graduate Fellow, INL
